

## Sarah's Fantastic Family Holiday Fun Game!

1. You must politely respond to each situation in order to get points.
2. For every 100 points you get, you either get to buy yourself a present (if it's your family) or make your significant other buy you a gift (if it's his/her family).
3. The offending person must be a family member or close family friend.
4. The event must occur between Thanksgiving and New Year's Day, 2009-2010.

Have fun!
